# Eris Shosholli

Full-Stack Engineer Intern @Genpact | React , Node , HTML , CSS ,  
JavaScript , Python , Git , Linux

District of Mitrovica, Kosovo

## Summary

Full-Stack Developer with experience in building scalable and responsive web applications using React, JavaScript, HTML, CSS, SCSS, SQL and Node.js. Proficient in developing both frontend and backend solutions, with a strong foundation in Linux environments, Python, and Git-based version control. Skilled in translating UI/UX designs into clean, maintainable, and performance-driven code, with a focus on component reusability, accessibility, and structured architecture. Currently working as a Full-Stack Developer Intern at Genpact, contributing to production-level applications, API integration, and collaborative development workflows in a professional environment. Former Coding Trainer with proven ability to explain complex technical concepts clearly, write highly readable code, and maintain strong documentation standards.
